

Dear Parents,

Welcome to 4th grade! I look forward to an exciting year ahead. This year I will challenge, nurture, and motivate your child everyday in our classroom. I will foster a positive, bright, and uplifting learning environment with guidance from God. I will instill a constructive perspective during our educational journey through 4th grade, which will encourage your child to value the importance of education and create a habit of life long learning.

A little bit about me: I graduated from San Jose State University with a BA in English Literature and a minor in Justice Studies. Additionally, I graduated from California State University of Monterey Bay with a Masters degree in Business Administration. I worked for the Santa Clara County Sheriff's Office for 8 years before leaving to come here. I have been a part of the Crossroads community for several years. My son, Rocco graduated from here in 2021. My husband, Coach Haney, is the Athletic Director.

Thank you for entrusting me with your child this school year and providing me with the opportunity to make an impact on their lives through the quality of education that Crossroads Christian School has to offer. I believe that open lines of communication between the parents, student, and teachers are key to promoting an educational climate that is conducive for learning. I will be sending you information throughout the school year regarding special events, projects, or updates in the classroom. I want to ensure you stay informed as your child's success is a collective effort. Please feel free to contact me via email at ahaney@ccsmh.org (*Email is the best form of communication for me*) if you have any questions or concerns throughout the school year.

Blessings,
Mrs. Haney
