

Hello Future 3rd Grade Student,

My name is Mrs. Van Gundy and I am excited to be your 3rd Grade teacher next year here at Crossroads Christian School. I believe that God has placed you here for His perfect purpose in your life! I am honored to be a part of His plan! I look forward to getting to know you more than the quick pass in the hallway.

In 3rd Grade, you will continue to grow in all the wonderful lessons you have already learned. As I get to know you, I will help you overcome the challenges that come with making the transition to 3rd Grade. I will strive to explain things in different ways to help you understand the subjects with a perspective that may be new to you.

You will watch the world open up before you through the Bible, Language, Reading and Writing, Mathematics, Science, History, Penmanship, P.E. and, field trips!

You are going to learn more about how to be an independent student and take more responsibility for your education. Remember, the Lord has picked you to be here at Crossroads Christian School. I believe we are going to have a wonderful adventure together next year as we all discover the wonders of our Lord.

To make the transition to third grade smooth, I encourage you to keep up on your math facts during your summer break.

Sincerely,

Mrs. Van Gundy
